Dorval, P.Q.

Dear Sir;

I made 3 searches with 4 in.
telescope for Comet Tomita-Berber-Honda.
These searches were made on July 9, 11,
and 15; and I failed to observe this
comet. I am very interested in knowing
if this comet was observed, its magnitude,
angular diameter, period, etc. Please send
me this information, if possible.

Yours truly,
Reginald Gallant.
