

2) Sandra Bay
Winnipeg 19, man

Dear Jim,

August 13⁵ 1967

- I am still very much a beginner at estimating values, but from a postcard received from ATARSO, I have logged Nova Delphini as follows:-

July 24 ¹⁵	0600 hrs UT	Magnitude	53
.. 25 ⁵	0600 hrs UT	..	54
.. 26 ⁵	0400 hrs UT	..	54
.. 29 ⁵	0430	53
Aug 1 ⁵	0415	54
.. 9 ⁵	0445	55
.. 13 ⁵	0330	57 *

I am presently drawing the field with a 1° field Kellner using your values.

Best Regards

John Scatlett

* Comparison stars 58-59.
