

2008 Award Citations

For the **Chilton Prize**, to RASC members who have found supernovae as part of the Puckett Supernova Search Team, the honourees are:

- Eric Briggs (Toronto Centre)
- Debra Ceravolo (Ottawa Centre)
- Lou Cox (Ottawa Centre)
- Steve Gauthier (London Centre)
- Walter MacDonald (Kingston Centre)
- Ajai Sehgal (Ottawa Centre)
- Jennifer Tigner (Victoria Centre)
- Dave Toth (London Centre)
- Dave Lane (Halifax Centre)
- Paul Gray (New Brunswick Centre)
- Jack Newton (Victoria Centre)
- Peter Ceravolo (Ottawa Centre)
- Doug George (Ottawa Centre)

Note:

The following five names of Puckett team supernova discoverers who have already won a Chilton Prize may be deleted if the Council decides that previous winners are not eligible for a second Chilton Prize:

- Dave Lane of Halifax Centre (won his Chilton Citation for discovering a supernova as part of a two-man team with Paul Gray)
- Paul Gray of Moncton Centre (won his Chilton Citation for discovering a supernova as part of a two-man team with Dave Lane)
- Jack Newton of Victoria Centre (won his Chilton Citation for another accomplishment, not involving supernovae, long ago)
- Peter Ceravolo of Ottawa Centre (won his Chilton Citation for the Comet Hyakutake video's scientific value)
- Doug George of Ottawa Centre (won his Chilton Citation for the Comet Hyakutake video's scientific value)
