FAQ

Check here first for the things folks are most intrigued by, curious about, or annoyed at. Our team will update this list frequently.

1. What if I haven't paid to register?

No problem! Admission is \$20 by daily registration. Just come to the Main Registration & Concierge Desk and roll out a twenty. We encourage casual visitors to join the festival!

However, sales of food events are now closed. The food preparation teams are hard at work, gathering mouth-watering mushrooms moistened by the morning mists.

2. Where do I go when I arrive?

The Main Registration & Concierge Desk, which is located in the Student Centre on the 2nd floor mezzanine level is the primary arrival area.

You can choose to check in at the Merlin House accommodations first. The front desk has key cards for all GA2016 / AstroCATS participants who purchased accommodations on campus.

3. I'm hungry! Where's lunch?

The name of the deli in the Oasis is Grinders. Wholesome, appealing grab-and-go food at reasonable "student" prices. Sit a spell with friends in the Oasis.

4. Is there a hospitality suite?

Come to Merlin House after each evening's events and find out

5. Will there be fireworks?

Monday evening, of course. Join us!

6. Can I mail in my Registration?

We plan not to use the postal system for anything at all.

7. If I arrive by train, will you pick me up at the station?

We sure wouldn't want to pick you up anywhere else.

8. Do we calculate HST on our Shopping Cart?

Don't worry about it. Whatever is necessary is being done behind the scenes.
